GUIDE to EVENTS and ORGANIZATIONS

Unite4Kids

Examples from

2022 – 2023 Academic Year

In BTF, we believe in the transformative power of community and collaboration. In these pages, you'll discover how coming together can make a profound difference in the lives of children and communities. This guide is more than just a roadmap for event planning; it's an invitation to join us in our quest for positive change, to become a **change-maker** in the story of progress, and to act as catalysts for the betterment of society and the generations that follow.

But we don't stop there. Being a **change-maker** can also be fun. Our BTF events are opportunities to contribute to a worthy cause and the most exciting way to engage in '**friend-raising**.' These gatherings bring together like-minded individuals who want to have a great time while making a positive impact. Together, we can turn aspirations into action, ideas into impact, and dreams into a brighter reality. Join us today, and together, we will shape a better tomorrow!

While you enjoy hosting events for a worthy cause, our dedicated team will stand by your side, ready to provide support for technical issues. Are you curious about the kind of assistance you can expect when partnering with us to organize an event? We can:

1. Custom Donation Pages and Ticket Sale Platforms:

Our team can develop dedicated donation pages or ticket sale platforms for your events. These customized platforms facilitate the donation and ticketing process, providing attendees a user-friendly experience.

2. Social Media Promotion:

Utilizing our extensive social media channels, we actively promote your events to reach a broader audience. We aim to generate excitement, engage the local community, and boost event attendance and support.

3. Event Branding and Content Design:

Collaborating with your team, we support designing compelling visuals and crafting persuasive verbal content for your events. We aim to create an impactful branding strategy that effectively communicates your cause.

4. Acknowledgment of Supporters:

We highly value the individuals who attend or contribute to your events. We commit to ensuring that all supporters are recognized and appreciated, fostering a sense of community and gratitude.

5. Impact Reporting:

Transparency is of utmost importance to us. Following your event, we provide comprehensive impact reports that detail how the funds raised have been utilized in BTF's projects. These reports offer clear insights into the tangible difference your event has made in the lives of children and communities.
