between Türkiye and the world
since 2003.

WHO WE ARE

At Bridge to Türkiye Fund, we connect communities worldwide for a brighter Türkiye — transforming goodwill into sustainable and impactful programs that improve lives.

Bridge to Türkiye Fund (BTF) was founded in 2003 by a few like-minded Turkish-Americans and friends of Türkiye with the simple desire to *give back*. It is founded on citizen-based, democratic and secular principles and encourages all to contribute to the welfare of less fortunate children and youth in Türkiye.

Our goal is to be the bridge that connects brilliant ideas with philanthropic resources. BTF's trusted and collaborative platform is designed to enable social entrepreneurs to flourish and transform their ideas into reality. We maintain a portfolio of carefully vetted Turkish NGOs and localized projects to accomplish this goal.

Based in the Triangle area of North Carolina, BTF grew all across the US over two decades, with many regional giving circles, and today has individual donors and supporting communities in all parts of the globe.

Our focus areas include education, the health and wellbeing of youth, environmental and natural life conservation, and disaster management.

Maintaining an **equal opportunities** focus, specifically concentrating on the welfare of children, youth and vulnerable groups.

Carefully vetting every partner organization to which we transfer funds, and pursuing a strong commitment to **transparency** to ensure 100% of our community's donations reach children and youth in need with no overhead costs.

WHY DONATE TO BTF?

Our vision unites us in the common goal of giving back, harnessing the collective power of the diaspora to invest in education and forge brighter futures for disadvantaged youth in Türkiye. It's about pooling our resources and belief in the transformative impact of collaborative effort on the lives of those who need it most.

Select from our portfolio of carefully-vetted NGOs and initiatives, and contribute to a cause with confidence, knowing your support is managed with **transparency** and **accountability**.

Enjoy the benefits of **tax-deductible donations** while supporting a noble cause. BTF is a US-based charitable non-profit, 501(c)(3) organization, accredited with the UN.
