How to Start Your Own Giving Tuesday Fundraiser on Give Lively

You can set up your own fundraising page for Bridge to Türkiye in about 10 minutes, and every dollar you raise counts toward our Giving Tuesday and end-of-year giving. Be ready to log in to your Give Lively account, or create a free one if you don't have one yet.

1. Pick your campaign

Open the campaign you'd like to support: Area of Greatest Need · Boots and Coats · Empowerment Scholarships · Support a Classroom. Then click **Start a Fundraiser** below the progress bar.

2. Choose a team page or an individual page

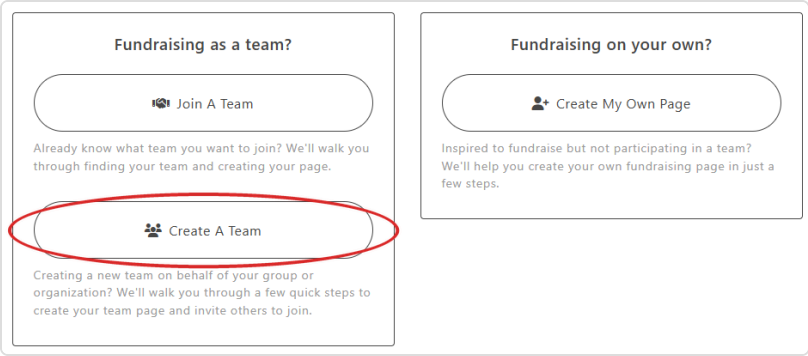

We encourage you to start a team: each person you invite reaches their own friends and family, so your group raises far more together. Click an option to jump to its steps.

Tips

Give first, since a page with a gift on it is easier to give to. Ask people directly by text or email. Share on Giving Tuesday, then remind people before the end of the year. Thank each donor by name.
